ATTENTION: CHANGES TO LAYOUT

Please note that due to Safety & Insurance issues the following must be adhered to during the day.

No vehicles (other than Judges cars) are to be inside the Tech paddock. All cars, floats and trucks must be located in the showground area.

There will be a section, marked by Bollards for pedestrians to use. Please ensure that if you are on foot, you must stay within the marked area, if you are not sure please ask. All pedestrians are to use the smaller gate to gain access to the Tech paddock.

Warming up of horses can be carried out either in the Soft Fall arena or the Tech paddock, however please keep your distance from both the pedestrian area and the arenas while others are competing.

Any questions, please ask one of the committee members on the day. This is a trial for the safest way to conduct our days, if you have any suggestions please come along to a committee meeting.

We appreciate your co-operation and hope you all have an enjoyable day.
